

SHARING JESUS WITH THE NATIONS—

BRYAN AND CECILE AMES, CHI ALPHA MISSIONARIES, UNIVERSITY OF MISSOURI—ST LOUIS AND SOUTHERN ILLINOIS UNIVERSITY—EDWARDSVILLE

All Nations Conference

Above are students from a previous All Nations Conference, which is a yearly international student conference hosted by Chi Alpha Internationals (XAI).

Student from Latvia

God did many great things there! God really spoke through the conference to Magdalena. Up until that time her mission to the campus was only something she did if she had time.

God really challenged her to seek Him first, and be His missionary. As a result she became much more active in reaching people. She started leading a Connect Group Bible study, and started leading

worship, and meeting with students one-on-one.

Seek Him first...

Even though she made this big time commitment and her major is very time-intensive, her grades actually improved!

This is a testimony of what it means to “Seek first His Kingdom and His righteousness...”

Since that time we have also seen a significant in-

crease in the number of students involved at Chi Alpha at Southern Illinois University—Edwardsville. Praise God!

For You, O LORD, have made me glad by what You have done, I will sing for joy at the works of Your hands. How great are Your works, O LORD! Your thoughts are very deep. (Psalm 92: 4-5)

Salt Conference—Be The Gospel

During Christmas break Chi Alpha has regional Salt Conferences.

We brought students from Taiwan, China, Nigeria, Latvia and USA who attend University of MO—St Louis, Southern Illinois University—Edwardsville, and St Louis University.

We also brought an alumni who is originally from Madagascar, and another alumni of UMSL who is now in leadership at Chi Alpha at Lindenwood University.

At this conference two people were baptized in the Holy Spirit, and everyone was challenged to share the gospel!

One of the speakers said loving people means we are willing to

fight for them to have a restored relationship with Jesus!

By God’s grace we are equipping students to make a difference.

WE APPRECIATE YOUR PRAYERS! PLEASE PRAY:

◆ We have finished our first missions term, and are again raising support. Please pray for us!

◆ Pray for full-time leaders

◆ Pray for a job in the St Louis area for Tahina, an UMSL XA alumni who want to assist us in leadership

CHI ALPHA: TRANSFORMING THE UNIVERSITY, THE MARKETPLACE AND THE WORLD!

Reaching the Nations!!!

Alumni lights for the gospel. The following are alumni of UMSL Chi Alpha

Korea and Japan We have one alumni who is teaching English-as-a-second language (ESL) in South Korea. Another alumni who is teaching ESL in Japan.

India and Puerto Rico Yet another alumni, who met Jesus through involvement in Chi

Some of the students who attended the Salt Conference

Alpha, is being a witness for Jesus in Chennai, India . Another alumni who met Jesus here is in Puerto Rico, and is still being disciplined from St Louis via Skype!

Madagascar Another alumni who was involved with us before, went and worked in Madagascar and was involved in a Bible study at his work place. He has since returned and is looking for a job in the St Louis area

Lindenwood University We had a volunteer staff help lead Chi Alpha at UMSL. She has since moved on and is a leader at Chi Alpha at Lindenwood University. She felt that her experience with Chi Alpha was like an internship, preparing her to help to re-start this Chi Alpha group.

When we reach the university, we truly have the potential to impact the marketplace and the world for Jesus!

“IN COLLEGE, [CHRISTIAN STUDENTS] ARE ASSAULTED BY SECULAR RELATIVISM, AND IF WE DON'T PREPARE THEM, THEY WILL BE LIKE LAMBS LED TO SLAUGHTER.”

FOUNDER OF PRISON FELLOWSHIP

Starting Missions Term

Chi Alpha Missionaries serve in 4-year terms. Every four years we renew for another four-year term. Part of this process is updating our budget.

Because of inflation and cost-of-living, and changes in our Support Team; we need to recruit more people and churches to be on our support team.

We so appreciate our friends and

brothers and sisters in Christ who support us in prayer and financially. The testimonies in this letter and other testimonies are the result of your generous investment!

We so appreciate your prayers as Bryan is speaking at churches and individuals about one of the most pivotal mission fields on earth—the university. His biggest burden is to communicate

God’s heart for the lost, and for people to be actively involved in reaching people for Christ through prayer, through their own personal witness, and through investing in missions.

Thank you so much for being a part of this Kingdom work.
